TUITION ASSISTANCE:

CHA is committed to providing quality Christian education in the most cost-effective manner and to offering a tuition assistance program that allows families to enroll predicated on their documented ability to pay. In order to objectively determine a family's ability to pay tuition, Christian Heritage Academy enlists the reviews and recommendations of FACTS, a nationally-based third party tuition assistance assessment service. You will be prompted to apply for assistance in the CHA online application. Note: There is a **FACTS Grant and Aid Application fee** of \$35 per family (payable to FACTS). **Tuition assistance is based on enrollment for the full school year. Early withdrawal negates any scholarships given and no refunds will be given.**

***Tuition assistance not available for K3 - K5.**

TUITION PAYMENT OPTIONS	
Annual Payment	Pay full tuition bill by 1st day of school.
Semi-Annual	Tuition divided into two payments due the beginning of each semester.
Monthly (12 month)	Payments automatically withdrawn monthly starting in July.
Monthly (10 or 11 month)	Payments automatically withdrawn monthly starting in August.

All families are required to establish a FACTS account. Families who pay monthly are required to pay via FACTS by linking their bank account or credit card for automatic withdrawals (ACH). www.factsmgt.com
