### CHA Dress Code

The dress code establishes the guidelines for parents and students on appropriate school attire that will foster a productive learning environment. The purpose of our dress code is threefold:

- **To Promote Biblical Modesty** - Modesty is an attitude of the heart that is inclined towards God and committed to presenting oneself in a manner that does not expressly draw prideful and self-pleasing attention. We believe our dress code helps to train the hearts of our students while still allowing them the opportunity to express their individual character and preference. [1 Tim. 2:9]
- **To Teach Honor Towards Authority** - Honor is also an attitude of the heart that is inclined towards God and committed to displaying one's value and significance of Him by respecting those whom He has placed in positions of authority. We believe our dress code contributes to training the character of our students, through yielding to authority, while still allowing them a freedom from unnecessary restraints. [Rom. 13:1]
- **To Nurture Neatness & Care** - Neatness and care are outward expressions of a personal commitment to display one's best before the Lord at all times. We believe our dress code helps our students develop the ability to be purposeful in their decisions and actions and aware of the impact of their choices. [Col. 3:23]

The dress code is a vital component of our learning environment, campus community, and institutional character. We seek to glorify God in all that we do. Therefore, the threefold purpose of the dress code applies to the school day, extra-curricular events, athletic contests, and all events on or off campus in which Christian Heritage Academy is actively participating or being represented unless otherwise stipulated. Parents are urged to screen their children's attire to help them comprehend and comply with the threefold purpose of the school dress code.

CHA will occasionally offer Dress Down Days where normal dress code requirements are suspended. On these occasions, students may wear jeans or shorts without tears and holes, long or short sleeve t-shirts with no pictures or words, and dresses, shorts, and non-uniform skirts that meet dress code length requirements.

The administration reserves the right to evaluate the level of dress code compliance at any time and address students regarding any form of dress they consider inappropriate. Any student in violation of the dress code will be addressed according to the guidelines established in our discipline policy.
